

Sharing in Our Community

PAMPA REGIONAL MEDICAL CENTER has invested over \$21,000,000 into the Texas Panhandle through taxes, salaries, capital investment, uncompensated care, local vendor expenditures and donations.

At Pampa Regional Medical Center, we are proud to be part of the Pampa community and are committed to its wellness, education and economic growth. Pampa Regional Medical Center is one of the largest tax payers and employers in the Eastern Texas Panhandle and has served its medical needs for over 59 years. For the past year, we have sponsored various community events and support organizations through our resources and donations.
