## Our Mission

To deliver compassionate, quality care to patients and better healthcare to communities.

## Our Values

**Quality** | We are committed to always providing exceptional care and performance.

**Compassion** | We deliver patient-centered healthcare with compassion, dignity and respect for every patient and their family.

**Community** | We are honored to be trusted partners who serve, give back and grow with our communities.

**Physician Led** | We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.

## FY 2016 Charity Care
